

7th International Conference on Numerical and Symbolic Computation:
Developments and Applications
10-11 April, Lisbon, Portugal

CALL FOR PARTICIPATION

We are pleased to announce the 7th International Conference on Numerical and Symbolic Computation: Developments and Applications ([SYMCOMP 2025 – Lisbon, Portugal \(isel.pt\)](https://www.isel.pt/symcomp2025)), taking place in Lisbon, Portugal, on **April 10-11, 2025**. This event will offer in-person and online participation, providing a platform for researchers, academics, and students to present and discuss the latest advancements in this wide field.

Why Participate?

SYMCOMP 2025 will bring together international experts to share cutting-edge research, new developments and applications in numerical and symbolic computation. The conference will cover various topics, including computational methodologies, algorithms, and their practical applications across several domains.

Key Dates:

- **Mini-Symposia Proposal Deadline:** 24 January 2025
- **Abstract Submission Deadline:** 7 February 2025
- **Conference Dates:** 10-11 April 2025

Opportunities for Submission:

- **Mini-Symposia Proposals:** We welcome proposals for mini-symposia. These sessions are an opportunity to create focused discussions on specific topics of interest and gather thought leaders in your area of research.
- **Abstracts:** We invite you and your team to submit abstracts showcasing your latest research. Whether you are working on theoretical innovations or practical applications, SYMCOMP 2025 offers a dynamic forum for presenting your ideas.

Special Publications:

Participants are encouraged to submit enhanced versions of their conference presentations for publication in two well-known **International Scientific Journals**. Detailed submission guidelines are available at ([Special Issues – SYMCOMP 2025 \(isel.pt\)](https://www.isel.pt/symcomp2025/specialissues)).

Young Researcher Awards:

We are excited to offer **Young Researcher Awards** in partnership with Wolfram Research. This is a fantastic opportunity for early-career researchers to gain recognition for their contributions to the field. More information can be found at [Young Researcher Award – SYMCOMP 2025 \(isel.pt\)](https://www.isel.pt/symcomp2025/youngresearcheraward)

Join Us in Lisbon or Online:

We look forward to welcoming you in Lisbon for an inspiring event. Whether you participate in person or virtually, SYMCOMP 2025 promises to be a unique opportunity to network, collaborate, and advance research in numerical and symbolic computation in a multidisciplinary framework.

Visit our official website, for more information on submissions, deadlines, and registration.

We hope to see you at SYMCOMP 2025!

Amélia Loja
Chairperson

You are on this mailing list since we regard you as having a potential interest in this event. Should this not be the case please reply to this e-mail stating REMOVE in the subject line. Apologies in advance for cross-posting and multiple copies.
